Who We Are

This Website is maintained and operated by Mavericks Venture Partners, which provides administrative and other services to Mavericks Venture Partners and other entities. In accordance with industry custom, this Website occasionally uses terminology that may be interpreted to suggest that our firm is actually a single entity. However, there is no such single entity and all of the entities that comprise our firm have their own separate legal existence.

You should be aware that a significant portion of the Materials include or consist of information that has been provided by third parties and has not been validated or verified by us. In connection with our investment activities, we often become subject to a variety of confidentiality obligations to funds, investors, portfolio companies and other third parties. Any statements we make may be affected by those confidentiality obligations, with the result that we may be prohibited from making full disclosures. Without limitation on the effect of other warnings and disclaimers set forth in these Terms, you should interpret any statements we make (on this Website or otherwise) in that context. Please ensure that your own computer security is comprehensive and up to date.
